REPLY TO THE ATTENTION OF:

MCC-10J

Subject: Contract number 68-W8-0089, Work Assignment number 66-5HW8,
NL Industries/Taracorps, Work Plan

Dear Mr. Thorsen:

The following comments are provided in response to the subject work plan submitted November 24, 1993:

Volume I, Introduction: Change Ottawa, Illinois to Granite City, Illinois.

Volume I, page 4-1:

- In the title, change RI/FS to RD/RA Community Relations Tasks.
- In the first paragraph, last sentence: change Community Relations Assistant to Community Relations Coordinator.

Volume I, page 4-2:

- In the second paragraph: change 300 names to 1500 names.
- In the second paragraph: change the last sentence to read that the Contractor shall do the actual mailing of any information to the community.

Volume II, page 4:

- First bullet: Include the assumptions for the number of public meetings and the number of availability sessions and the number of transparencies for each.
- Fourth bullet: Assume three round-trip airfares from Chicago to St. Louis for one person. Once in St. Louis, the EPA will provide transportation.

If the above comments are acceptable without issuing a work plan revision, please notify this office by letter of your acceptance. If a work plan budget revision is necessary, please submit one.

If you have any questions please contact Paul Casagrande at (312) 886-6025.

Sincerely yours,

Brigitte Manzke
